WHAT DO EMPLOYERS WANT?

- Cultural sensitivity
- Tolerance of ambiguity
- Openness to new experiences
- Emotional stability
- Creativity
- Social skills (people management & 'likeability')
- Problem solving ability
- Service orientation
- Critical thinking (also about own strengths)
- Judgement & Decision making

what's the added value of study abroad?

new friends, new experiences, new stories to tell ...
but also a more creative brain, more responsibility
more openness & curiosity towards others, 'agreeableness', self awareness and emotional stability

Source: For a more creative brain, travel
Travel broadens the mind, but can it alter the brain?
