

The history of the ICMCIS conference.

The conference was known as MCC (military communications conference) until 2013. It was organized in autumn. Originally, it was a national polish event but eventually become international in 1998. The name as well as season were changed to ICMCIS and spring, respectively, and the first ICMCIS was organized in 2015. Furthermore, it is sometimes organized in conjunction with the NATO STO/IST-panel (2010, 2016, 2017, 2018).
