Research funding seminar for doctoral students and postdocs,
May 11, 2016

Time: May 11, 2016 at 12:00-14:10
Place: Medical Campus, Lecture hall F202 (Pharmacology)
Organizers: Biocenter Oulu Doctoral Programme (BCO-DP) and
Medical Research Center Oulu Doctoral Programme (MRC Oulu-DP)
Contact: Ritva Saastamoinen, ritva.saastamoinen(at)oulu.fi

Where can early career researchers find funding for research and mobility? This seminar covers different options available for doctoral students and postdocs. You will get an overview of the funding sources to support research in general, and more specific attention will be given to options available to support short-term and long-term international mobility. Welcome! No registration required.

PROGRAMME

12:00-12:45  Emma Pirilä:  
A Hitchhiker’s guide to research funding
12:45-13:05  Simo Saarakkala:  
My personal story of ERC application process
13:05-13:20  Florence Naillat:  
My postdoctoral journey: Ups and downs
