N.B. If you have a residence permit card the ID number is most likely already available at the back of it → inform it to study affairs.

ID number format: DDMMYY-0123 or if you are born year 2000 or after the format is DDMMYYA0123

Local Register Office:

Address: Isokatu 4, 90101 OULU,

## Banking in Finland

Opening a bank account is easy and free of charge.

Visit one of the main bank branches (recommended banks are Osuuspankki and Nordea) in downtown Oulu (ask your kummi for help). The bank might require you to reserve a time for the opening or it might open the account immediately. Have your passport, residence permit (non-EU students) and study certificate with you.
