## HuTK - Scandinavian Studies Programme 2010, 2011 (2009 - 2011)

Scandinavian Studies Programme is a 32 ECTS credit **introductory level programme** that is organised every fall semester (Sept-Dec). It has been developed in co-operation with the University of North Carolina at Greensboro (UNCG), USA, and is designed to give the participants a broad overview of Scandinavian history, culture and everyday life. The courses (6 ECTS, 3 US semester hours each) include studies in the fields of History, Social Studies, Cultural Studies, Arts, Literature, and Natural Sciences. Participants include international students from different countries.

This provides an excellent opportunity for intercultural interactions with people from different cultures and backgrounds. American university students may be assured of direct credit transfer through the collaboration with UNCG.
