Tandem study

Tandem is a study exchange programme in which students work together in pairs, each participant **being a native speaker of his/her** partner's target language; thus both can share information about their own language and culture. The other language should always be Finnish.

There is no contact teaching in the class (except in German tandem). The pairs meet independently on a regular basis each week to discuss pre-arranged topics. The course content is agreed upon at the beginning of the course together with the tutor.

The tandem tutors are:

English: Kari-Pekka Kallunki

French: Cécile Rousselet-Karinen

German: Marja Pohjola-Effe

Japanese: Takako Karppinen

Russian: Ari Hepo-aho

Swedish: Liisa Niemi

Other languages: Anne Koskela
