

Apply to become a Student Tutor/ Kummi

Faculties/ programmes recruit student tutors for new students for the following academic year. Student tutors are recruited for all programmes and for international Master's programmes and also for exchange students (both Autumn and Spring terms). Ask more information from your [programmes student tutoring contact person](#).

As a student tutor you are required to:

- willing to help and guide new students
- responsible student who has taken care of the studies well,
- to be familiar with the general way things work at the University of Oulu
- **take part in Student tutoring training (in English).**
- have a good command of the English language. At least basic Finnish skills are also recommended,
- be in Oulu at the time when new students arrive in early September (beginning of January for Spring 2019 exchange students).

Total number of hours to be spent on tutoring is between 10 and 15 hours. Student tutors are working in hourly teaching task and they receive the regular student tutor compensation (14,10 euros per hour). Faculties are required to give student tutors a student tutoring certificate. Faculties can also give credits on student tutoring.

If you are interested, fill in the [application](#).

N.B.: If you are employed by the University of Oulu during the student tutoring period (for example internship) you cannot receive the regular guidance fee. There is another way to pay the fee. Please inform your programme's [student tutoring contact person](#) of such an employment as soon as possible. More information on employment matters: hr@oulu.fi.
