UNIVERSITY OF OULU

MASTER´S PROGRAMME IN BIOMEDICAL ENGINEERING / LÄÄKETIETIEEN TEKNIKAN MAISTERIOHJELMA

Master´s Programmes in Biomedical Engineering, both international and national, are joint programmes of two faculties of the University of Oulu, the Faculty of Medicine (**FMED**) and the Faculty of Information Technology and Electrical Engineering (**ITEE**). Both programmes lead either to the degree of Master of Health Sciences (MHSc) or to the degree of Master of Science (Technology) (MSc Tech).

Tutor teachers for all Master´s students of the Biomedical Engineering at **FMED** is **Lassi Rieppo** and at **ITEE** **Tiina Seppänen**

Student tutor ("Kummi", "kummistudent") for Finnish and international Master´s students at **FMED** is **Md Toriqul Islam** and at **ITEE** – **Daniel Uher**

Information for new students you will also find in web page of student organization "Medical technology students in Oulu" at

<https://www.olto-kilta.fi/en/new-students/>

20.6.2019

PROGRAMME OF THE ORIENTATION WEEK, Sept 2-6, 2019

Used abbreviations

BME IMP = Concerns new students of the International Master's Programme (IMP) in Biomedical Engineering (MHSc and MSc Tech)

BME Finnish = Concerns new students of the national Master's Programme in Biomedical Engineering (Lääketieteen tekniikan maisteriohjelma, TtM ja DI)

Joint programme of orientation week for all the above-mentioned students is presented below. The programme in orientation week is organized **in the main campus of the University of Oulu ([Linnanmaa](#))**.

Date	Mon 2.9.2019			Tue 3.9.2018			Wed 4.9.2018			Thu 5.9.2018			Fri 6.9.2018		
Time	BME IMP	BME Finnish	Optional courses	BME IMP	BME Finnish	Optional courses	BME IMP	BME Finnish	Optional courses	BME IMP	BME Finnish	Optional courses	BME IMP	BME Finnish	Optional courses
7:45	Meet kummi students (door E)														
8:00	8:00 – 12:00 Orientation lecture for all Uni Oulu international students, lecture room L1		521348S (L8)	Individual PSP meetings IMP: formalities*		521156S (PR105)	8:15-10:00 Course: <u>521242A</u> Introduction to Biomedical Engineering, IT105			Individual PSP meetings			Self-Hack for all new students of the university.
