

## SCHOLARSHIPS FOR TRAINEES AND MASTER THESIS STUDENTS

**The Centre for Wireless Communications (CWC)** operates as a research programme in conjunction with the Telecommunication Laboratory at the University of Oulu. Its mission is to conduct world-class research, train world-class graduates, create new technology and support companies.

**CWC offers scholarships for Master Thesis students and Trainees.** The scholarship for Master Thesis student is 4 000 € with expected duration of six months. For trainees the scholarship is 2 000 € with the duration of three months. The scholarships are aimed at M.Sc.(eng) students of telecommunication engineering enrolled in the study programs of Department of Electrical and Information Engineering of University of Oulu in the following research areas: communication signal processing and radio engineering, radio access technologies and wireless networks and internet.

To be eligible to apply, all applicants must satisfy the following condition:

1. The applicant has to have finished her/his Bachelor's degree at the time of applying.

To be eligible to apply for Master Thesis Scholarship, the applicant must in addition to above also satisfy the following conditions by the start of the master thesis work period (but not necessarily at the time of applying):

2. The applicant can have no more than 30 credits missing from her/his master degree related course work.
3. The applicant must have conducted the compulsory practical training of master degree.

If condition 3 is not satisfied, the practical training can be arranged at CWC before the start of the master thesis work period. It is not possible to obtain a scholarship for both training and Master Thesis in the same year.

Along with your application you are expected to send us your CV and your latest transcript of records. **The applications should be sent no later than 1 April 2011 to:**

Kirsi Ojutkangas  
Centre for Wireless Communications/Oulun yliopisto  
PL 4500  
90014 Oulun yliopisto
