

Oulun yliopisto

European Masters in Software Engineering 2018-2019

EMSE

Koodi	Nimi	op	1. syksy		1. kevät		2. syksy		2. kevät	
			1	2	3	4	1	2	3	4
Courses										
815311A	Software Quality and Testing	5	5							
817602S	Software Development in Global Environments	5	3	2						
815657S	Open Source Software Development	5	3	2						
811600S	Emerging Trends in Software Engineering	5	4	1						
815305A	Real Time Distributed Software Development	5		5						
815662S	Software Engineering Management, Measurement and Improvement	5		5						
815312A	Software Production and Maintenance	5			5					
811601S	Emerging Trends in Software Testing	5			5					
521260S	Programmable Web Project	5			5					
815303A	Embedded Software Development Environments	5				5				
812349A	IT Infrastructure	5				5				
521147S	Mobile and Social Computing	5				5				
812331A	Interaction Design	5					5			
817614S	Software Factory Project	10					5	5		
817609S	Project Seminar	3							3	
813613S	Master's Thesis	30						5	12	13
813607S	Maturity Test	0								0
	Optional courses, suggestions	12								
815663S	Software Engineering Research	5					3	2		
813621S	Research Methods	5					2	3		
813627S	Master's Thesis Seminar	2								2
			15	15	15	15	15	15	15	15
Yhteensä			30		30		30		30	
Yhteensä			60				60			
			120
