

Oulun yliopisto

Tietojenkäsittely

Tietojenkäsittelytieteiden tutkinto-ohjelma 2018-2019

Filosofian maisteri

Koodi	Nimi	op	1. syksy		1. kevät		2. syksy		2. kevät	
			1	2	3	4	1	2	3	4
Kaikille pakolliset opinnot										
813621S	Research Methods	5.0	2.0	3.0						
817612S	Research and Development Project	10.0					5.0	5.0		
817609S	Project Seminar	3.0							3.0	
813613S	Master's Thesis	30.0					4.0		12.0	14.0
813627S	Master's Thesis Seminar	2.0					1.0			1.0
813607S	Maturity Test	0								0
	Optional courses / Minor courses	30	3	7	10	10				
Information Systems Orientation Courses										
813626S	Emerging Technologies and Issues	5.0	5.0							
812331A	Interaction Design	5.0	5.0							
817603S	System Design Methods for Information Systems	5.0		5.0						
812351A	Enterprise Systems	5.0			5.0					
812349A	IT Infrastructure	5.0				5.0				
813625S	Information Systems Theory	5.0					2.0	3.0		
817604S	ICT and Organisational Change	5.0					3.0	2.0		
813623S	Information Security Policy Management in Organisations	5.0						5.0		
Software Engineering Orientation Courses										
815311A	Software Quality and Testing	5.0	5.0							
817602S	Software Development in Global Environments	5.0	3.0	2.0						
811600S	Emerging Trends in Software Engineering	5.0	2.0	3.0						
815312A	Software Production and Maintenance	5.0			5.0					
815303A	Embedded Software Development Environment	5.0				5.0				
815663S	Software Engineering Research	5.0					2.0	3.0		
815657S	Open Source Software Development	5.0					3.0	2.0		
815662S	Software Engineering Management, Measurement and Improvement	5.0						5.0
