

SCHOLARSHIPS FOR TRAINEES

The Centre for Wireless Communications (CWC) operates as a research programme in conjunction with the Department of Communications Engineering (DCE) at the University of Oulu. Its mission is to conduct world-class research, train world-class graduates, create new technologies and support the industry.

CWC & DCE offer scholarships for trainees to conduct the advanced practical training. The scholarship for trainees is 1500 € with duration of two months. The scholarships are aimed at M.Sc.(eng.) students of the University of Oulu enrolled in

- a) the study programme of electrical engineering with the focus on communications engineering or
- b) the Wireless Communications Engineering -masters programme.

To be eligible to apply, all applicants must satisfy the following conditions:

1. The applicant has to have finished her/his Bachelor's degree at the time of applying.
2. The applicant shall not have received a trainee scholarship from CWC & DCE or Faculty of Technology of University of Oulu before.

Along with your application you are expected to send us your CV and your latest transcript of records. In the application the applicant should express whether she/he is interested in hardware or software oriented training topics.

Printed applications have to be submitted **by 6 May, 2013 at 15:00** to Ms Seija Laitinen in TS 443, or via regular mail to: Seija Laitinen, Tietoliikennetekniikan osasto, PL 4500, 90014 OULUN YLIOPISTO.

The nominations will be made right after the deadline and the work can be started 15 May 2013.

Nominated applicants will be called for an interview in order to define detailed training tasks for each applicant/ group of applicants.

The grant will be paid in two parts. The first part (1000 €) will be paid once the practical work has started and the second part (500 €) after successfully finishing the training report.
