

SCHOLARSHIPS FOR TRAINEES

The Centre for Wireless Communications (CWC) and its units **Radio Technologies** and **Networks and Systems** operate at the Faculty of Information Technology and Electrical Engineering (ITEE) at the University of Oulu. Its mission is to conduct world-class research, train world-class graduates, create new technologies and support the industry.

CWC offers scholarships for trainees to conduct the advanced practical training. The scholarship for trainees is 1500 €. The scholarships are aimed at M.Sc.(eng.) students of the University of Oulu enrolled in

- a) the study programme of electrical engineering with the focus on communications engineering or
- b) the Wireless Communications Engineering -masters programme

To be eligible to apply, all applicants must satisfy the following conditions:

1. The applicant has to have finished her/his Bachelor's degree at the time of applying.
2. The applicant shall not have received a trainee scholarship from CWC or ITEE before.

Along with your application you are expected to send us your CV and your latest transcript of records. In the application the applicant should express whether she/he is interested in hardware or software oriented training topics.

Printed applications have to be submitted **by 26 May, 2016 at 16:00** to Kari Kärkkäinen in TS 439, or via regular mail to: Kari Kärkkäinen, CWC, PL 4500, 90014 OULUN YLIOPISTO.

The nominations will be made right after the deadline and the work can be started 1 June 2016. Nominated applicants will be called for an interview in order to define detailed training tasks for each applicant/group of applicants.

The grant will be paid in two parts. The first part (1000 €) will be paid once the practical work has started and the second part (500 €) after successfully finishing the training report.
