

Funding process in the Faculty of Humanities

When planning the funding application get in touch with the **Research Coordinator** or the **Research Service Manager**

Research Service manager deals with international applications
Research Coordinator deals with Academy of Finland and foundation applications

Write the application; prepare the budget with the Controller

Review the application with the Research Service Manager/Coordinator; Any contracts are reviewed by the Research Service Manager

(If required, get approval for your application from the Dean)

Send the application; register it into TATU (online project budgeting system)

Funding granted

Notify Research Service
Manager /Coordinator

Open the project in
TATU

Funding not granted

```
graph TD; A[Funding not granted] --> B[Review the application with Research Service Manager/Coordinator]; B --> C[Find new funding opportunities (e.g. Research Professional)];
```

Review the application with
Research Service
Manager/Coordinator

Find new funding opportunities
(e.g. Research Professional)
