International Double Degree at the Master’s Level

In co-operation by

University of Oulu, Oulu Business School
Kedge Business School, Bordeaux, France

Interested in conducting a double degree?

Oulu Business School (OBS, Oulun yliopiston kauppakorkeakoulu) at the University of Oulu now provides a possibility to apply for conducting a double degree in co-operation with Kedge Business School in Bordeaux, France for the first year master students of OBS. The program is open for students in marketing and international business management. Double Degree students will first study a set of courses at OBS at Autumn semester 2020 and thereafter spend Spring semester 2021 on Bordeaux campus for conducting a set of courses there. They will then do their internship in France at Autumn 2021. Finally, they will write their master thesis in Oulu. More detailed program can be seen in the double degree brochure.

We can now offer 5 study places altogether for marketing and international business management students. The applicants should fill the following requirements:

- B.Sc. (Econ.&Bus.Adm.) degree (or equivalent studies) completed in the University of Oulu, Oulu Business School. First year master students in IBM and marketing are applicable to apply. Second year master students can not apply for this program.

- Have the overall grade 3 or higher in the major studies

- Have the interest and motivation for international degree and career
