

# SCHOLARSHIPS FOR MASTER'S THESIS WORK

**Centre for Wireless Communications, and its research units Radio Technologies (CWC-RT) and Networks and Systems (CWC-NS),** operates within the Faculty of Information Technology and Electrical Engineering (ITEE) at the University of Oulu. CWC's mission is to conduct world-class research, train world-class graduates, create new technologies and support the industry.

**CWC offers scholarships of 3000 € for Master's Thesis Work.** The scholarships are aimed at M.Sc.(Eng.) students of the University of Oulu enrolled either in the Degree Programme of Electrical Engineering with focus on Communications Engineering, or in Wireless Communications Engineering (WCE) International Master's Degree Programme.

To be eligible to apply the grant, **all applicants must satisfy the following conditions:**

1. The applicant has EITHER received at the minimum 55 credit points during the academic year 2015-2016 OR is lacking only at most two courses and the seminar out of all the course work required for the Master's Degree.
2. The applicant has not previously received a Master's Thesis scholarship from CWC or the former DCE department, and is not employed as a Master's Thesis student at CWC.

CWC is committed to offering an inspiring Master's Thesis topic related to Communications Engineering as well as high-quality supervision for the scholarship receivers. Access for necessary material and software is also provided.

**Please send your printed application including your CV, your latest transcript of records as well as a short motivation letter by 30 September 2016 to Dr. Kari Kärkkäinen, Centre for Wireless Communications – Radio Technologies (CWC-RT), PL 4500, 90014 OULUN YLIOPISTO, Finland.**

The decisions will be made right after the deadline and the thesis work can begin at the earliest in October. The grant will be paid after the applicant's Master's Thesis topic application has been processed and approved by the degree programme committee for education.
