

SCHOLARSHIPS FOR MASTER'S THESIS WORK

Centre for Wireless Communications, and its research units Radio Technologies (CWC-RT) and Networks and Systems (CWC-NS), operates within the Faculty of Information Technology and Electrical Engineering (ITEE) at the University of Oulu. CWC's mission is to conduct world-class research, train world-class graduates, create new technologies and support the industry.

CWC offers scholarships of 3000 € for Master's Thesis Work. The scholarships are aimed at M.Sc.(Eng.) students of the University of Oulu enrolled either in the Degree Programme of Electrical Engineering with focus on Communications Engineering, or in Wireless Communications Engineering (WCE) International Master's Degree Programme.

To be eligible to apply the grant, all applicants must satisfy the following conditions:

1. The applicant has EITHER received at least the minimum 55 credit points during the academic year 2016-2017 (by 31.7.2017) of WCE Master's Degree programme, OR is lacking only at most two courses required for the EE Master's Degree programme.
2. The applicant has not previously received a Master's Thesis scholarship from CWC or the former DCE department, and is not employed as a Master's Thesis student at CWC.

CWC is committed to offering an inspiring Master's Thesis topic related to Communications Engineering as well as high-quality supervision for the scholarship receivers. Access for necessary material and software is also provided.

Send or bring your printed application including your CV, your latest official transcript of records, as well as a short motivation letter describing your interests (type of thesis topic, etc.) by 6th October, 2017 15:00 o'clock (GMT+2) to Dr. Kari Kärkkäinen, Centre for Wireless Communications – Radio Technologies Research Unit (CWC-RT), PL 4500, 90014 OULUN YLIOPISTO, Finland.

The decisions will be made right after the deadline and the thesis work can begin at the earliest in October. The grant will be paid after the applicant's Master's Thesis topic application has been processed and approved by the degree programme committee for education.
