

# SCHOLARSHIPS FOR MASTER'S THESIS WORK

**Centre for Wireless Communications, and its research units Radio Technologies (CWC-RT) and Networks and Systems (CWC-NS),** operates within the Faculty of Information Technology and Electrical Engineering (ITEE) at the University of Oulu. CWC's mission is to conduct world-class research, train world-class graduates, create new technologies and support the industry.

**CWC offers scholarships of 3000 € for Master's Thesis Work.** The scholarships are aimed at M.Sc.(Eng.) students of the University of Oulu enrolled either in the Degree Programme of Electronics and Telecommunication Engineering (ETE) with focus on Communications Engineering, or in Wireless Communications Engineering (WCE) International Master's Degree Programme consisting of WCE-RAN and WCE-RF study options. To be eligible to apply the grant, **all applicants must satisfy the following conditions:**

1. The applicant has EITHER received at least the minimum 55 credit points of mandatory basic, advanced and Finnish language **courses based on the official curriculum** of WCE Master's Degree programme during the academic year 2017-2018 by 31.7.2018 (**other elective studies, or mandatory 2<sup>nd</sup> year WCE courses of RAN and RF study options are not counted**), OR is lacking only at most two courses required for the Communications Engineering study option of ETE Master's Degree programme.
2. Mandatory training, i.e. 521016A Advanced Practical Training 3 ECTS course must be accomplished.
3. The applicant has not previously received a Master's Thesis scholarship from CWC or the former DCE department, and is not employed with University of Oulu. Students doing master's thesis as a employee of company are not eligible.

CWC is committed to offering an inspiring Master's Thesis topic related to Communications Engineering as well as high-quality supervision for the scholarship receivers. Access for necessary material and software is also provided.

Send or bring your **printed application** including your CV, your latest official transcript of records, as well as a short motivation letter describing your interests (type of thesis topic, etc.) **by 17th September, 2018 15:00 o'clock (GMT+2)** to Dr. Kari Kärkkäinen, Centre for Wireless Communications – Radio Technologies Research Unit (CWC-RT), PL 4500, 90014 OULUN YLIOPISTO, Finland.

The decisions will be made right after the deadline and the thesis work can begin at the earliest in October 2018. The grant will be paid after the applicant's Master's Thesis topic application has been processed and approved by the ETE degree programme committee for education.
