

## HBS-DP PhD Student Satellite Symposium 2017

**Time:** Wednesday, March 22<sup>nd</sup>, 2017 from 13:00 to 16:00 pm.

**Place:** Lecture Hall **F202 (Pharmacology)**, (oral presentations) and the main lobby (poster presentations and coffee & pulla)

### Chairs:

Kati Drushinin & Niina Laurila

This event is intended to bring all the Health and Biosciences Doctoral Programme (HBS-DP) students together, and to give them a unique opportunity to socialize and discuss their research between colleagues. Credits will be granted for those who have either an oral (1 ECTS) or a poster (0.5 ECTS) presentation. The best presentations will be awarded at the end of the event: All participants will vote for the best poster, and the organizing committee jury will select the best oral presentation. This event is organized by doctoral students. Everyone is warmly welcome to participate and listen to the doctoral student presentations!
