International Double Degree at the Master's Level

In cooperation by

University of Oulu, Oulu Business School

University of North Carolina at Greensboro, Bryan School of Business and Economics

Interested in truly international degree, even in double?

Oulu Business School (OBS, Oulun yliopiston kauppakorkeakoulu) at the University of Oulu has in January 2006 agreed with the University of North Carolina at Greensboro (UNCG) about the extension of the student exchange possibilities between the universities. This provides the **B.Sc. graduates of OBS** a possibility to get a full-scale American MBA-degree through studying one year in Greensboro in addition to M.Sc. studies in Oulu. UNCG applies one semester of master level studies at OBS towards the MBA-degree. OBS, in turn, applies one semester of studies at UNCG towards the M.Sc. (KTM, kauppatieteiden maisteri) degree.

For the Autumn Semester 2020 in UNCG there are no study fees. For the Spring Semester 2021 in UNCG the student pays the regular study fee, ~ \$13.000 – 15.000 (fee is confirmed yearly by UNCG). Student also pays food & accommodation costs by him/herself per each semester. There are grants available from different sources, which the accepted students can apply for.

University of Oulu will grant the accepted student the exchange student travel stipend for Fall 2020 (1 500 eur).
