

**TIMETABLE FOR SUBMISSION OF MASTER'S THESES AND GRADUATION DATES  
IN THE SPRING TERM 2020  
Faculty of Education, University of Oulu**

Master's theses are uploaded to the system through LATURI. For instructions, see <http://laturi.oulu.fi/> and the faculty website at <http://www.oulu.fi/edu/theses>. **Please note that the student affairs secretary needs to have entered the details on your thesis into the Oodi system before you submit your thesis to Laturi.**

The Education Committee made the decision that no separate maturity test is taken any longer in connection with the Master's thesis, as the test is replaced by the thesis abstract. However, ***if you did not do the maturity test in connection with your Bachelor's thesis, you do need to do it in connection with the Master's thesis.***
