International Double Degree at Master’s Level with KEDGE Business School, France

In co-operation by:

University of Oulu, Oulu Business School
KEDGE Business School, Bordeaux, France

Interested in conducting a double degree?

Oulu Business School (OBS, Oulun yliopiston kauppakorkeakoulu) at the University of Oulu now provides a possibility to apply for conducting a double degree in co-operation with KEDGE Business School in Bordeaux, France for the students currently in their first year of master’s studies at OBS. We can now offer 5 study places altogether for Marketing and International Business Management students.

Double Degree students will first complete the first year of courses (60 ECTS) at OBS according to their regular programme structure in Marketing or International Business Management.

Once accepted into the programme, they will complete their second year of studies in Academic year 2022-2023 in KEDGE Business School Bordeaux campus, whilst also working on their thesis online for Oulu Business School. The students will also complete an internship or a professional work experience in France or abroad in Summer or Autumn 2023. A more detailed list of courses will be published before the application period opens at Study Guides | University of Oulu (choose Oulu Business School and MSc programmes and scroll down for title International double degrees).

After completing the courses as per required by both business schools, the students will receive a Master’s degree from both universities.

1) The applicants should fill the following requirements:

- A completed B.Sc. (Econ.&Bus.Adm.) degree (or equivalent studies).

- First year master students in University of Oulu IBM and Marketing Master’s programmes are applicable to apply. Second year master students cannot apply for this programme.
- Have the overall grade 3 or higher in the major studies at Master level.
- Have the interest and motivation for international degree and career.
