

Finland-Japan Workshop:
The next generation medical engineering in biomaterials

Joint with **3rd Bone and Biomaterials Workshop**
June 17-21, 2018

General information

■ **Venue**

University of Oulu

Address: Aapistie 5, Oulu, Finland

■ **Local Organizing Committee**

Chair:	Petri Lehenkari, Prof., Ph.D., MD	University of Oulu
Vice-Chair:	Miho Nakamura, Ph.D.	Tokyo Medical and Dental University, University of Oulu
	Juha Tuukkanen, Prof., Ph.D.	University of Oulu
	Sanna Turunen, Ph.D.	University of Oulu
	Timo Alalääkkölä	University of Oulu Hospital
	Juhana Leppilahti	University of Oulu Hospital
	Salla Hirvonen	Business Oulu

Additional persons may be added

■ Japanese Advisory Committee

Masaya Yamamoto, Prof. Ph.D.	Tohoku University	Yuriko Higuchi, Ph.D.	University of Kyoto
Satoshi Uchida, Ph.D.	University of Tokyo	Kenichi Nagase, Ph.D.	Keio University
Yukiko Matsunaga, Ph.D.	University of Tokyo	Takako Uchida	BusinessOulu

Program

■ Schedule at a glance

17.6 Sun	Welcome reception
18.6 Mon	Seminar
19.6 Tue	Seminar & Banquet
20.6 Wed	Seminar
21.6 Thu	Excursion

■ Plenary speakers

Prof. Petri Lehenkari (University of Oulu)

Prof. Takao Hanawa (Tokyo Medical and Dental University)

■ Topics

Regenerative medicine

Drug Delivery system

Clinical application of biomaterials and medical implants

Tissue and Cell engineering

MEMS

Industrialization of research achievements

■ Call for papers

Deadline: 15 April 2018

Welcome ALL of you!
