Course Descriptions

Learning Outcomes

Learning activities and teaching methods

Person responsible
Studying

Academic year August 1\textsuperscript{st} - July 31\textsuperscript{st}
Two semesters, four periods and summer

Register into courses in WebOodi
Usually lectures and freely selectable exercise group
Follow the latest schedules and venues
Make sure your email address is correct!

weboodi.oulu.fi
Exams

Many courses still have exams
You must enrol in WebOodi

Usually also other ways to pass
Interim exams, weekly exercises, active participation
Continuous learning methods are highly suggested!

weboodi.oulu.fi
Personal Study Plan (PSP)

Done in WebOodi
Return to your tutor teacher
Update if your plans change

weboodi.oulu.fi
Minor Subject
Optional Studies

25 cr
Start taking optional courses immediately

For some accepted students, supplemental courses will be assigned

EMSE

No optional studies during the first year
Other Studies

Intership
Language Studies
Summer Studies
Exchange Studies
Entrepreneurship Studies
Free of cost Open University Studies
Recognition of Prior Learning (RPL)

Both courses and work experience can be taken into account in your degree.

Applications into the OSAT system

Typically equivalence to a course
First, ask a statement from the responsible person of the course.
Language studies are approved by language teachers.
Study Counselling

Mainly tutor teacher

If required, contact Faculty Student Services study.itee@oulu.fi

Education Planners
Heli Alatalo
Eija Forsberg (ICT continuing education)
Goal is to graduate on time

60 credits/year is 1600 hours/year

Studying is work!

Self-discipline and planning of studies
Your First PSP!

In microcomputer hall:
1. Log into WebOodi
2. Select PSP from the upper menu
3. Create a new PSP
4. Use the relevant degree programme template
5. Make necessary personal changes
6. Send the PSP to your tutoring teacher

Register into the first period courses also at the same time!
