

**Course:** Wireless M2M communications

**Lecturer:** Petar Popovski, professor, Aalborg University, Denmark

**Time and Place:** Feb 12-13, 2015, University of Oulu, Finland

<b>Thursday, Feb 12, 2015</b>	
08:30-09:15	Introduction to wireless M2M communication
09:15-09:20	Break
09:20-10:05	Standardization for M2M systems
10:05-10:10	Break
10:10-10:55	Traffic models for M2M communication

<b>Friday, Feb 13, 2015</b>	
09:00-09:45	5G wireless: massive access and ultra-reliable communication
09:45-09:50	Break
09:50-10:35	Protocols for massive access, part 1
10:35-10:40	Break
10:40-11:25	Protocols for massive access, part 2
11:25-12:15	Lunch break
12:15-13:00	Smart Grid Communications, part 1
13:00-13:05	Break
13:05-13:50	Smart Grid Communications, part 2
