

# What's up?

- **UniOGS courses and events for doctoral students**

12.1.2017, UniOGS team

# TOHTOS

## - Developing the Working Life Relevance of Doctoral Training

- EU funded project (European Social Fund) during March 2016 – June 2018
- A nationwide project coordinated by the University of Tampere, partners are Universities of Eastern Finland, Turku, Vaasa and Oulu
- Main goal: to expand and diversify the potential of doctoral students to find employment also in other fields than the traditional academic ones
