

Postgraduate Course

Biomaterials and Craniofacial surgery

Date: Wednesday, March 3rd, 2004

Venue: Tampere University of Technology, Institute of Biomaterials
Hermia, Hermiank. 12, Iso Sali

Organizer: Institute of Biomaterials, Tampere University of Technology, Tampere

Guest Lecturer: Prof. MB Habal, Tampa, Florida, USA

Further information: H Losoi Hilkka.Losoi@tut.fi or Nureddin.ashammakhi@tut.fi
Tel. +358 3 3115 2230, Fax +358 3 3115 2250, Mobile +358 40 849 0980

Programme

10.00-10.10: **Opening of the Seminar:**
Academy Prof. P Törmälä

10.10-10.20: **Introducing remarks:**
Prof. M Kellomäki

10.20-10.30: **Introduction:**
Prof. N Ashammakhi

10.30-11.45: **Developments in biomaterials for CMF surgery**
Prof. MB Habal

11.45-12.00 **Discussion**

12.00-13.00 **Lunch at TUT**

13.00-13.45: **Self-reinforced biodegradable devices in craniofacial surgery**
(EU multicenter study)
Dr T Waris

13.45-14.00: **Discussion**

14.00-15.00: **CMF surgery & Biomaterials**
Prof. MB Habal

15.00-15.30 **Discussion**
Future trends

15.30 **Conclusion**
